Show Jump Training.

Unfortunately, Terinna is so busy with private clients that she is unable to give us a slot for show jump training at the moment. Thank you to those of you who have expressed an interest and have been so patient. I will look into some alternatives.

Nadine is still looking to enter a team for Horwick Horse Trials (near Chepstow) on 11th July. Give her a ring if you are interested.

RECENT EVENTS

Show Jumping (2) at Sunnybank.

10th April.

Great weather and good turnout. Hot competition and a mind bending course!

Thank you to all those who made the day possible by lending their support and to Terinna who provided us with refreshments all day as well as full use of all Sunnybanks' facilities. **Results are over the page!**

HunterTrials. 9th May. Alps Park.

The weather was kind to us on Sunday. Compliments to course designers Jean and Bev for their combined effort in marking out three great courses for the day. Richards' efforts to fill the water jump were dashed due to a blockage in the pipe, so it was, unfortunately, left as more of a mud splash. Many thanks to all helpers and support on the day!

Several people contacted Jean on Saturday asking to be entered for this event. Unfortunately they had to be turned down due to the fact that entry times had already been posted and no adjustments can, thereafter, be made in the running.

Please ensure you enter this event in advance to avoid any disappointment! Details of how to enter all events are listed in your Yearbook...
