## RECENT EVENTS

Show jumping 4 at Stocklands farm 11 July. Our thanks to Jane for the hire of her facilities. The last jumping event in our points series. Warm up was provided indoor for competitors with a course of show jumps set in the newly surfaced outdoor arena. Entries were slightly down on previous jumping events but all who entered had a good time. Loads of rosettes give out and lots of smiling faces. Results over the page.

Dressage 4 Alps Park 12th Sept The last chance to add to our points tallies. Entries were down from previous events here. We would love for more support on the day and to see more of you competing for the Championship points Result over page

In memory of Denise Ashurst..  
Supporter of the Year 2009 and

If you have any articles for sale or you wish to sell your horse contact Nathalie and she will put this on the web site for you.

### Committee Member?

for all you enthusiastic people. Facts and figures to address then watch the big screen to see yourself on the telly. Some people will need an armored guard to escort you home with the prize money. A raffle will take place instead of the quiz as it is a school night. Suggestion sheets will be given out and collected for you to have your say on what events you would like to see from your club. Buffet available too!

### Charity Ride

Sunday 24th October .

10.30 start at Bedwas House Industrial Estate £10 per horse all proceeds to The Horse Hospital Monmouth. Refreshments included. Tel; 07805120942 or 07960330908 to book your place!

Do you fancy a place on the committee to give your opinions and help to run events. We are looking for new blood and ideas to help us. If interest fill in the proposal sheet with this enclosed with this newsletter and post back to the address on the slip before the AGM to be considered. AOB should also be filled in if you wish to air your opinions before the committee!

**Finally**, a BIG thank you to all our members for supporting Rhyddid's various events this season. Looking forward to the coming year, maybe to try a higher fence or a harder test.?

Good Luck to you all and follow your dreams!
