Show Jumping (2) 16 th April Sunnybank EC

Good turnout for this event. Terinna had devised a devilishly twisting course to keep us all on our toes! Another round of 3ft daredevils competed on the day with spectacular results! Huge THANK YOU to all our helpers on the day without you, we couldn't run the event! John/ Bev.

Hunter Trials. 22nd May. Alps Park. Jean/ Bev.

Jean and Bev worked very hard to set a good, flowing course for this year. Someone over ordered on the wind for the day, as brave competitors took a bashing in the strong breeze with even a hail storm thrown in!

All riders weighted themselves down, to stay for the pairs class. Good entries and a HUGE thank you to all stewards on the day, who braved the blustery conditions!
