

S.A.F.E. Ride

Sunday 11th September

Start from Ty Mawr Pub Car Park

Leave between 10.00 and 11.00 a.m.

£10 for SAFE members, £12 for non members

You can join on the day for £5

Our aim for this ride is to raise funds for a permissive bridleway close to the Ty Mawr venue. This will enable riders to avoid the steep road up the Graig which can be dangerous because of local passing traffic. We need your support – so please join us and contribute to this important new route for riders in this area.

Important Please Note that children under the age of 16 must either be accompanied by an adult, or bring written permission to the ride from parent or guardian to give to the secretary on the day. Any child who arrives without such written permission will not be allowed to take part in the ride.

For further information please contact Trisha Wilson on 07775 658227.
